Nihilist International Film Fest 2025

The Nihilist Film Festival will be on Saturday, December 20 at 8:00 p.m. The festival is live at The Highways Performance Space at 1651 18th Street in Santa Monica again. You will get to see an amusing and grotesque selection of short films from around the country and around the world, so I hope you can all make it. It will be fun.

nihilism n. 1.a) the denial of the existence of any basis for knowledge or truth. b) the general rejection of customary beliefs in morality, religion, etc. 2. the belief that there is no meaning or purpose in existence.

You are a fluke of the universe. You have no right to be here.
